3-16-6 NATURAL AREAS.

1. Designation. The Weed Official, upon application of the owner or person in possession or control of any lot, may designate such lot or portion thereof or any adjacent undeveloped public way as a natural or conservation area. Prior to designating such area, the Weed Official shall consider the following factors: grade or incline of said tract, the difficulty to control or maintain said tract, whether said tract is being maintained as either a soil erosion control area or a conservation area. Any person affected by the designation, or lack thereof, may appeal said determination to the City Official.
2. Natural or Conservation Areas. Natural or conservation areas need not be mowed and shall be left in their natural state except that noxious weeds shall be removed or controlled.
3. Public Ways. Sidewalks or other public ways that lie adjacent to or extend through a natural conservation area must be open and free from any obstructions to pedestrians or vehicular traffic.

3-16-7 ENFORCEMENT. It shall be the duty of the Weed Official to inspect all areas of complaint and, in the case of a legitimate complaint, to notify the last known owner or person in possession (or control) of the area of violation of this chapter. Said notice shall be by certified mail and allow five (5) days after mailing said notice as a period of time to eliminate said violations. Return receipt with signature is not required for said notice. The Weed Official shall charge an administrative fee in the amount of twenty-five dollars (\$25.00) for the first offense after the original notice and twenty-five (\$25.00) for the second offense. For the third offense the owner or persons in possession (or control) of the area will be considered a habitual offender as described under section 16.10. The Weed Official may obtain competitive quotes to have the required action performed. The cost will be assessed against the property as provided herein and shall be an obligation owing to the City that may be collected by the City in any other lawful manner. In addition to the foregoing remedy and their remedies by law, the Weed Official may file misdemeanor charges against such individual.

3-16-8 EMERGENCY CONTROL MEASURES. Notwithstanding any other provisions of this chapter, whenever in the judgment of the Weed Official or the Fire Chief an emergency exists creating a health safety or fire hazard which may require weed or grass control without prior notice, control measures shall be taken, and costs assessed against the property for collection in the same manner as property tax. However, prior to such assessment, the City shall give the property owner notice by certified mail and an opportunity for a hearing before the Council.

3-16-9 CONTROL OF WEEDS OR OTHER VEGETATION. The Clerk shall annually, on or before April 1st of each year, publish a Notice to Property owners generally setting forth the duty to control weeds and other vegetation which might be a nuisance in violation of this Code of Ordinances. The Weed Official may cause a Notice to Abate Nuisance to be served upon any property owner who fails to comply with the published notice or any person who, at any other time, has weeds or other vegetation in violation of this Code of Ordinances and shall submit the cost to the Council for assessment as provided in Section 364.12 of the Code of Iowa. In the event of an emergency as set forth in Section 364.12, the notice requirement may be dispensed with. In abating a nuisance under this Code of Ordinances, the Weed Official is hereby authorized and directed to employ such persons and rent any and all equipment necessary for the abatement of the nuisance; and the costs thereof shall be assessed.

3-16-10 HABITUAL VIOLATORS. If the owner or person in control of any land has previously received a notice to abate nuisance relating to weeds within the preceding 24 months, then, the notice to abate nuisance may include notice that such owner or person in control of said property will be

considered to be a habitual violator of this chapter and that if the nuisance is not abated within the allowed time, the City will consider the property to be subject to having a contract let by the City for mowing property as needed up to a weekly basis for the next following 24-month period of time and that the full costs of said contract together with an administrative fee of two hundred fifty dollars (\$250.00) will be assessed against the property.

Section 2. Section 1-1-8 of the Coggon Code of Ordinances is amended by deleting the same and inserting in lieu thereof the following:

1-1-8 VIOLATION-PENALTY. Unless another penalty is expressly provided by the Code of Ordinances, any person violating any of the provisions or failing to comply with any of the mandatory requirements of the Code of Ordinances is guilty of a misdemeanor. Any person convicted of a misdemeanor under the Code of Ordinances shall be punished by a fine of not more than five hundred dollars or by imprisonment not to exceed thirty days.
